

Fixing your building one snap at a time

the solution
is simplicity

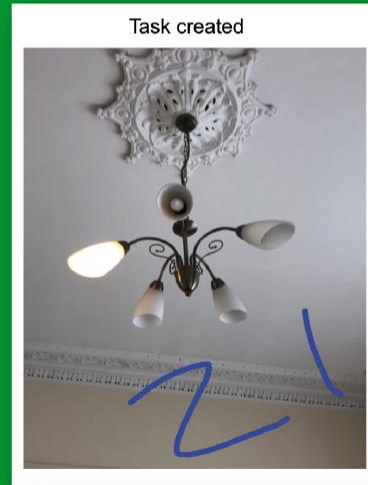

a photo speaks...

a thousand words

every language

the solution & benefits

Maintenance today is often disorganised and inefficient

With Snapfix, issues are recorded using photos, by anyone, anywhere.

Work is assigned
Progress is logged

Issues are resolved
and closed

Benefits:
Organised and efficient teams.
A better maintained building.

Benefits:
Improved tenant experience.
Increased revenue.

Snapfix works for the whole building

maintenance

fire safety checks

health & safety

security checks

inspections & surveys

asset management

compliance

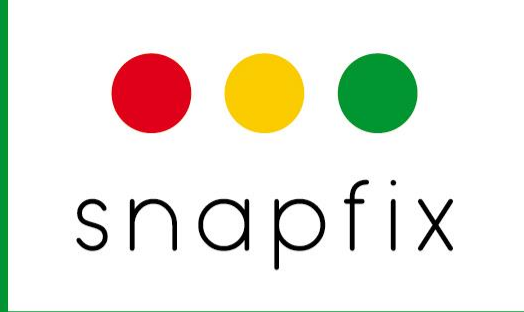

fit-outs & renovations

checklists

Cleaning

Fixing your building, one snap at a time.
