

EVERCAM

Construction Cameras

Marketing | Project Management | Dispute Avoidance.

Evercam As Is

Marketing

Showcase your work with construction time-lapse videos and live streaming.

Management

Empower Project Managers with the right image at the right time.

QS / H&S

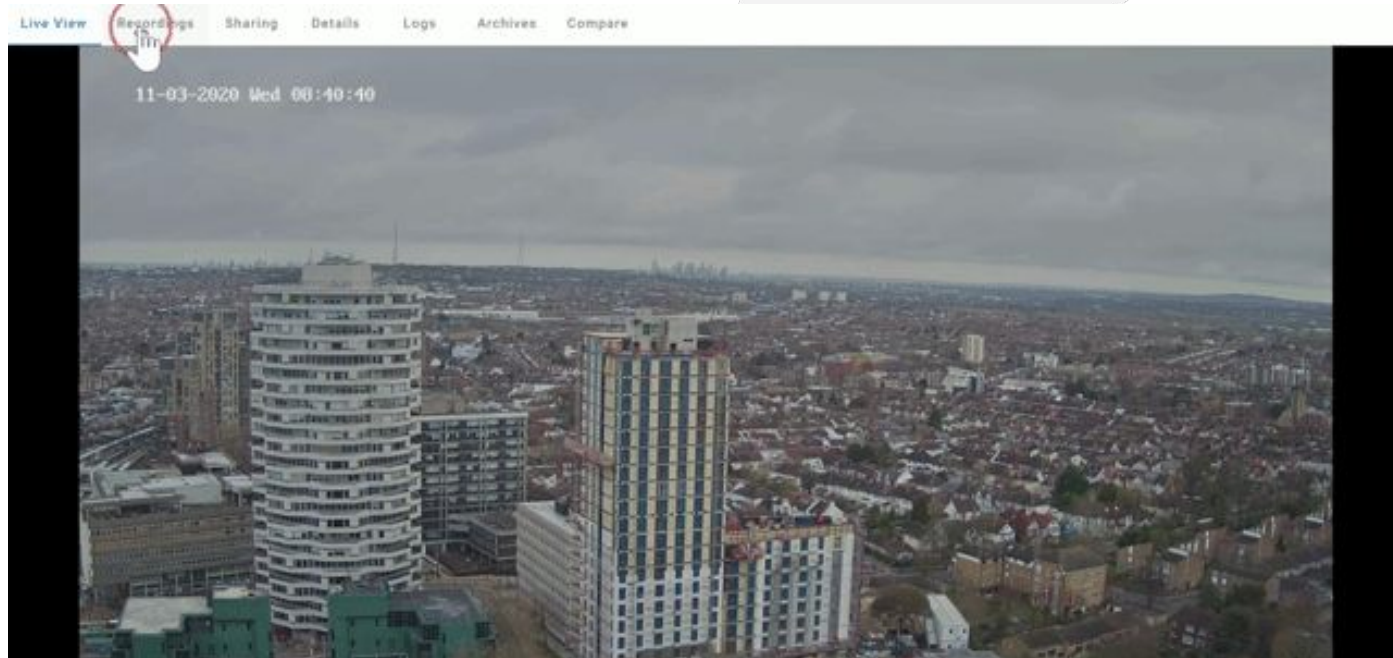

Don't just win arguments, avoid them. You own the evidence.

Time-lapse

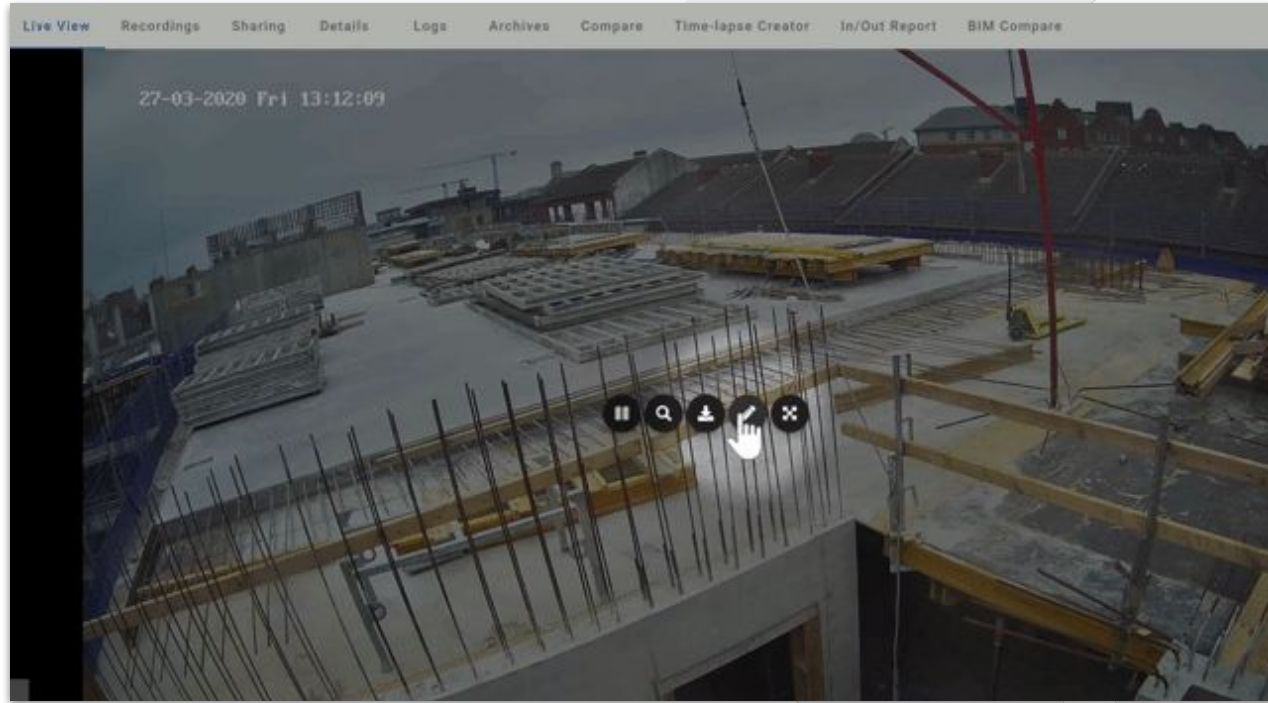

Showcase project milestones

Recordings

Cloud recordings for the entire duration of the project.

Edit Tool

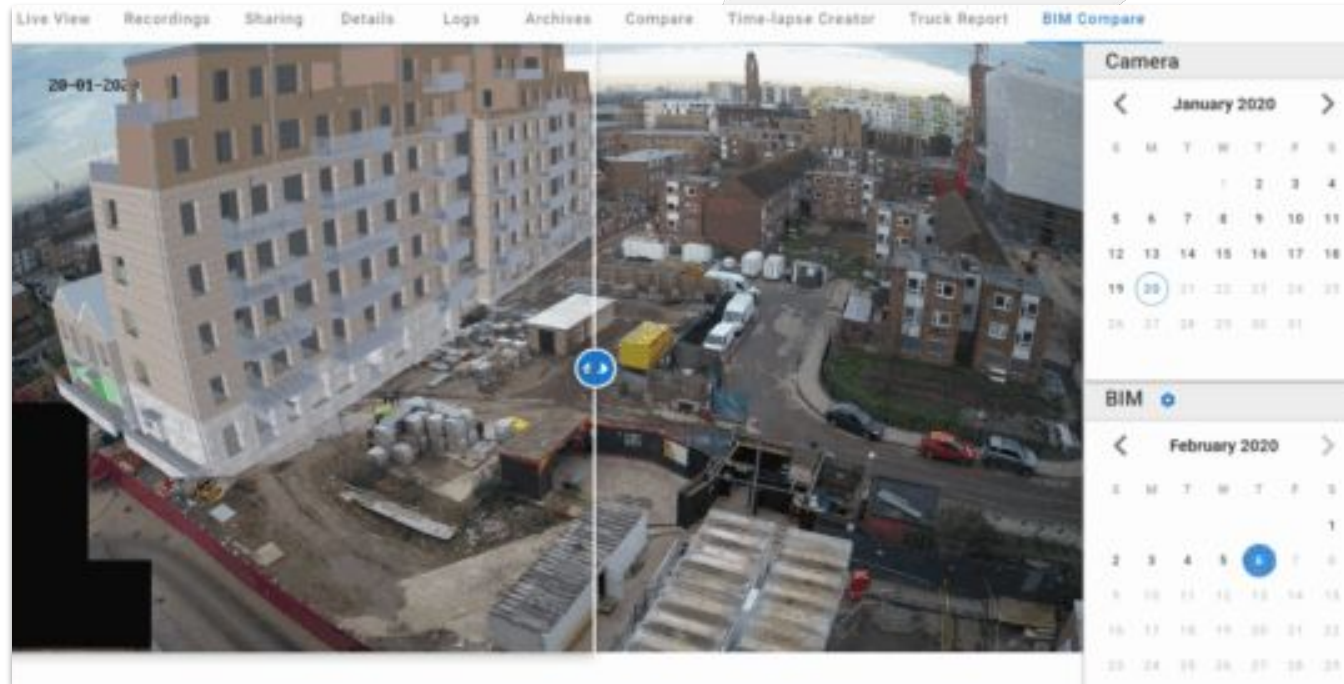

Click, Markup & Send

X-ray

Drag and drop to compare images from any point in time.

BIM integration

Combine your BIM model with the real building footage.

Artificial Intelligence:

 **EVERCAM**
CONSTRUCTION CAMERAS

a system's ability to correctly interpret external data, to learn from such data,
and to use those learnings to achieve specific goals and tasks through flexible adaptation.
