Planning Portal System Overview

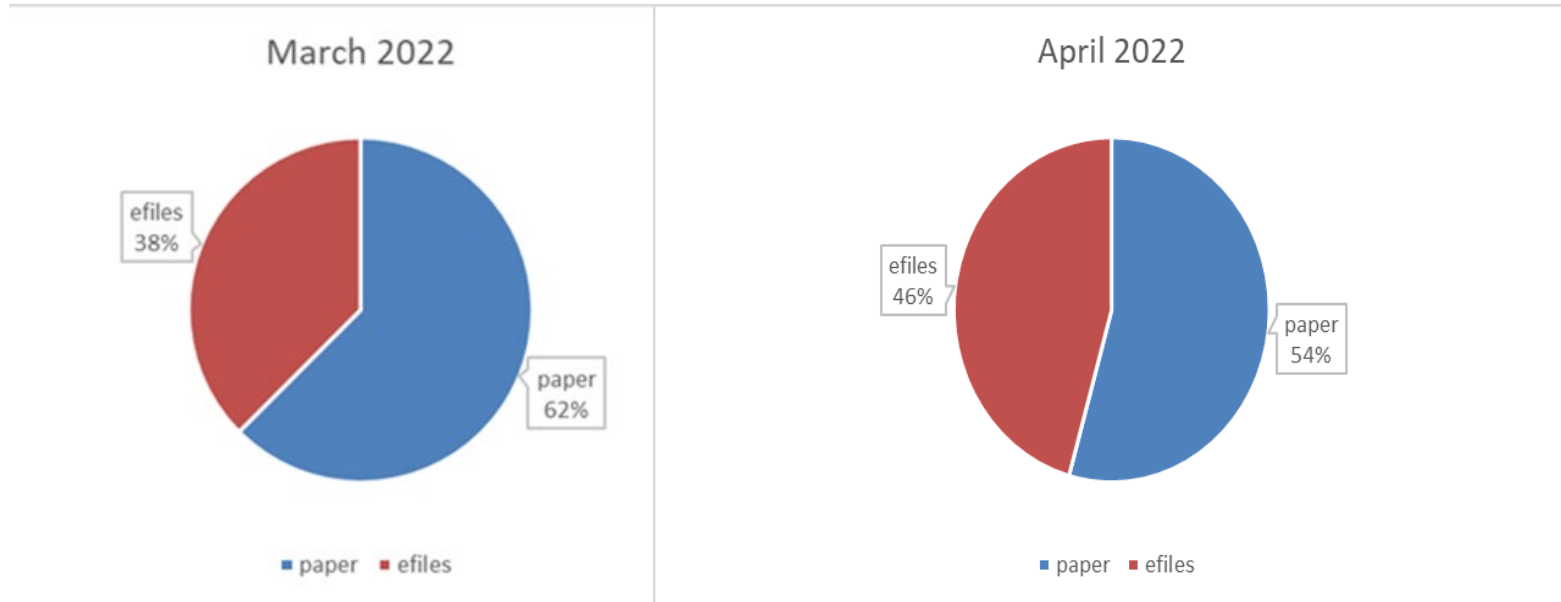

<https://planning.localgov.ie>

2022 year to date Tipperary

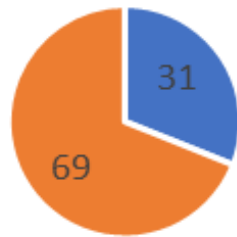

2022 year to date Tipperary

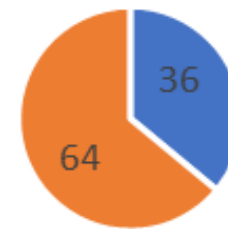

2022 year to date Galway

Files Received January

■ e files ■ paper files ■ ■

Files Received February

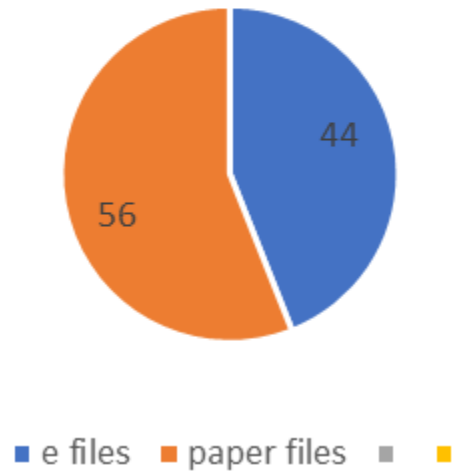

■ e files ■ paper file ■ ■

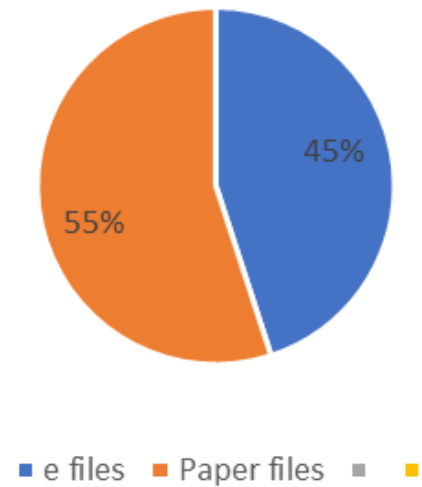

2022 year to date Galway

Files Received March

April Files Received

Pilot

- Agents are able to submit an application within an hour or
- Agents can have a draft and build slowly then submit
- Once file is processed and document inserted to document management system agent knows immediately
- If in a position to do so agent can and have replied immediately.

Pilot

- E-Applications are available within one working day for the public to view
- Increases the openness and transparency of the planning process
- Same registration details will allow person to apply to any local authority
- Currently just Tipperary and Galway but will be nationwide

Next Steps

- Enable submissions to be made online
- Part 8 (Local Authority own development available on line)
- Both will be piloted in Tipperary and Galway
- Roll out nationally in three waves to other authorities using iplan
- Roll out to remaining authorities
