Digital Project Delivery Lead – Walls Construction Ltd

The importance of Good Information Management

- What is good information management?
- How do you achieve it?
- What does successful information management look?

Walls Construction Ltd.

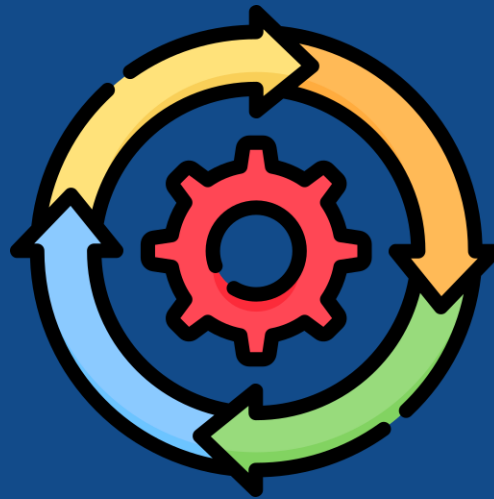

- Our Digital Journey
 - Demand
 - Future Thinking
 - More control

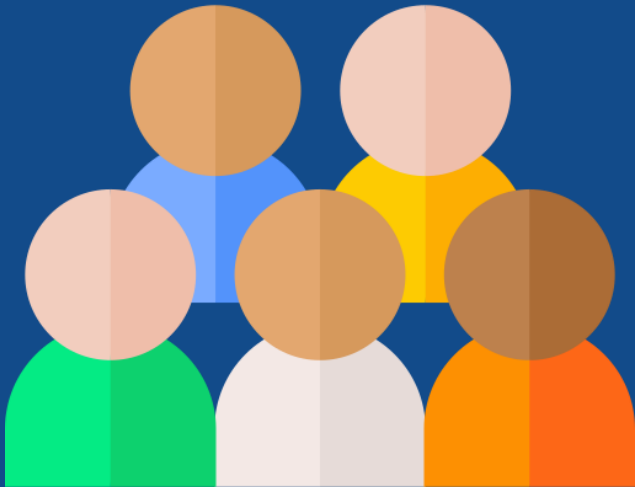

Project Life Cycle

3 Key Ingredients in IM

Process

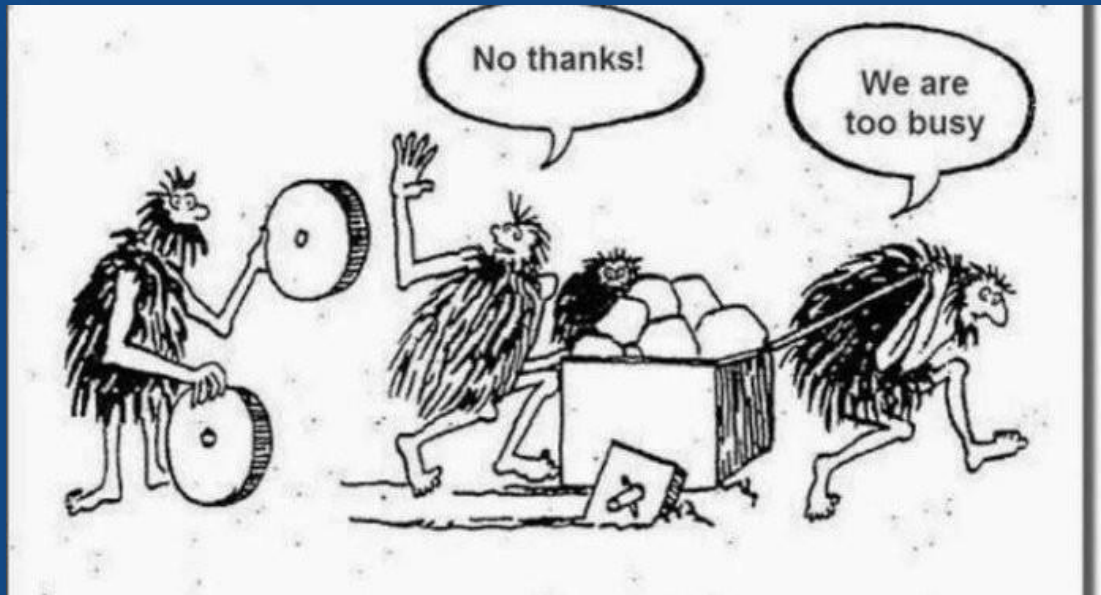

People

Tools

Obstacles !!

“If its not broke, don't fix it”

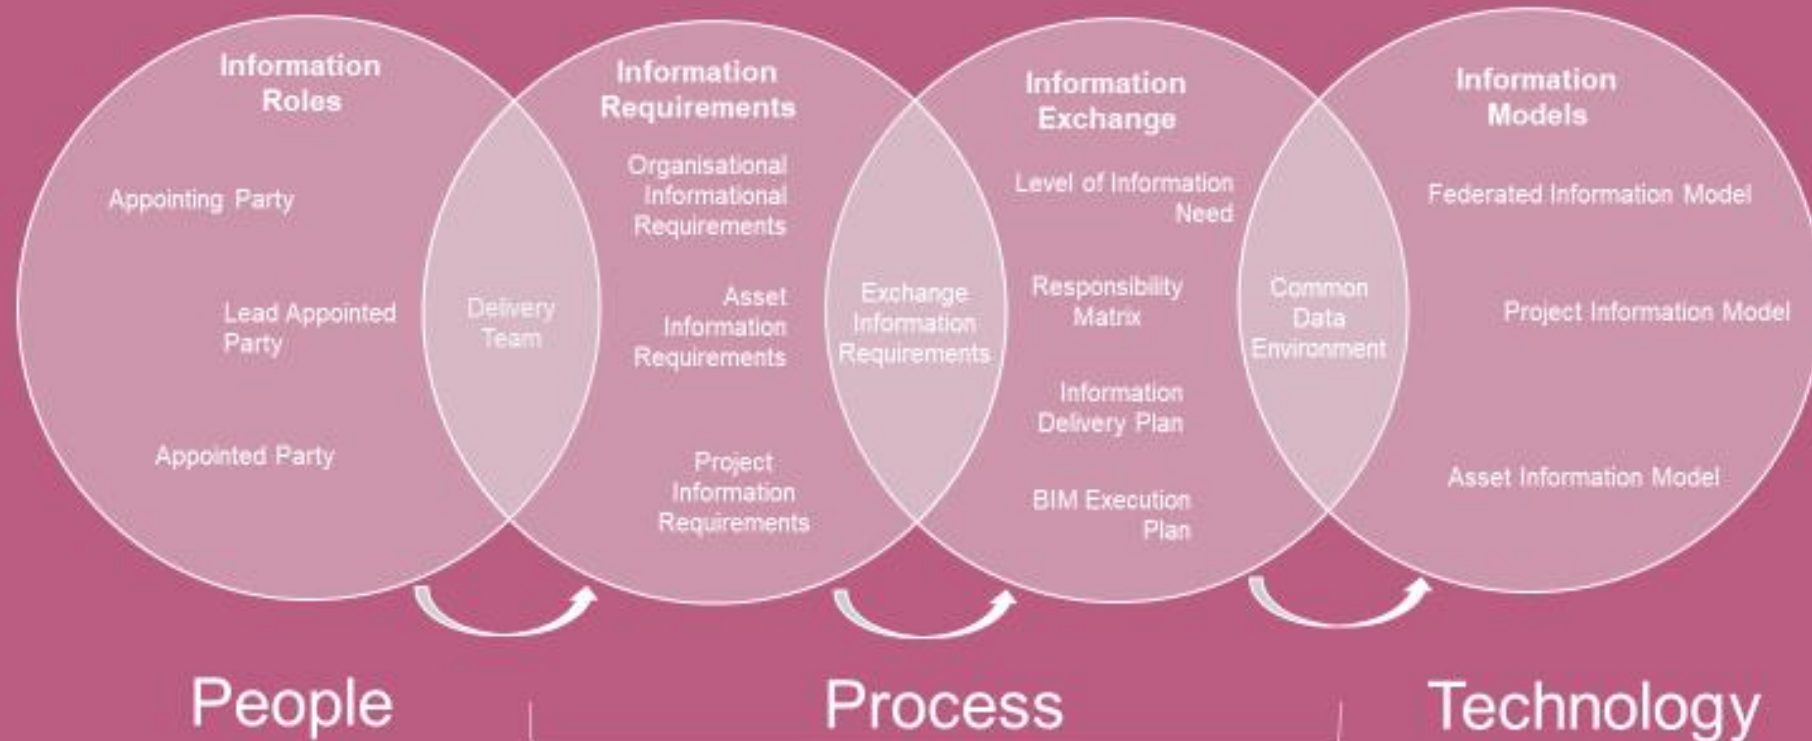

Getting the right tool for the job

Information management

Key Ingredients of ISO19650

So.. What really enforces good information management?

“Fail to Plan, Plan to Fail”
