The image shows a software interface with three main sections:

- Left Panel (Chat):** A sidebar with a search bar and tabs for 'Chat', 'Cowork', and 'Code'. It lists recent chat topics such as 'Basic house model in Revit' and 'Chase RFI and email action tracker'. At the bottom, there is a 'Relaunch to update' button for version v1.13576.0 and a user profile for 'Páraic · Pro'.
- Center Panel:** Features a logo with a sun icon and the text 'Back at it, Páraic'. Below it is a chat window with the message 'Claude Fable 5 is currently unavailable.' and a 'Learn more' link. The chat input field contains the text 'How can I help you today?'. At the bottom of the chat are buttons for 'Code', 'Strategize', 'Create', 'Write', and 'Learn', along with a 'Sonnet 4.6 Low' model indicator.
- Right Panel (Revit):** A screenshot of the Revit software interface. The ribbon includes 'File', 'Architecture', 'Structure', 'Steel', 'Precast', 'Systems', 'Insert', 'Annotate', 'Analyze', 'Massing & Site', 'Collaborate', 'View', 'Manage', and 'Add-Ins'. The 'Properties' panel shows settings for a 'Floor Plan' view named 'GENERAL ARRANGEMENT 1-100'. The 'Project Browser' on the left lists various view categories like 'DOCUMENTATION', 'STRUCTURAL', and 'FINISHES'. The main workspace shows a grid with a vertical dashed line and a horizontal dashed line.

Navigation icons: Home, Search, Back, Forward, Refresh, Close.

WORKFLOW

How Chase works

- 01 Paste email**
Paste a consultant, contractor or project email chain into Chase.
- 02 AI extracts actions**
Chase identifies actions, approvals, RFIs, due dates and responsible parties automatically.
- 03 Track accountability**
View overdue items, pending responses and project follow-ups from one dashboard.
