asy to find, and of the latest info.

DALUX WORKFLOW

Use the force (Dalux) to…

Compare drawing revisions to show what's changed

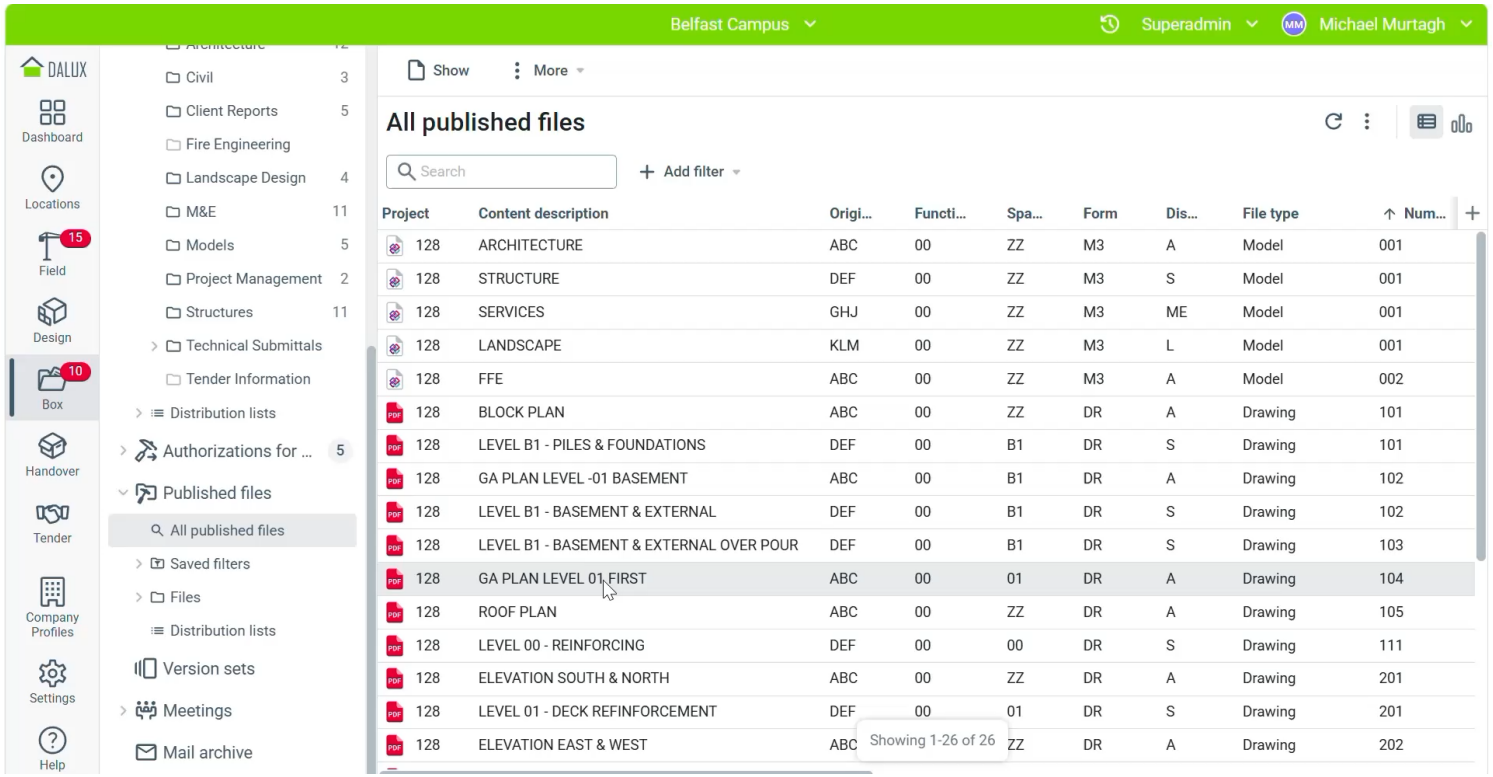

Open the model and see what the impact is…

Raise an RFI

VALUE | Identify coordination issues before they reach site.

Quickly identify what's changed between versions and…

…seek clarification

Designers / Jedi – no need to leave your X – Wing (Model Authoring Software)

DALUX WORKFLOW

Move it... you must

Respond to the RFI confirming that the pipework must be rerouted.

The RFI, response and all other items are automatically collated in a register with reporting.

Less admin... full audit trail

VALUE | Clear ownership and a reliable audit trail.

DALUX WORKFLOW

Verify the installation

&

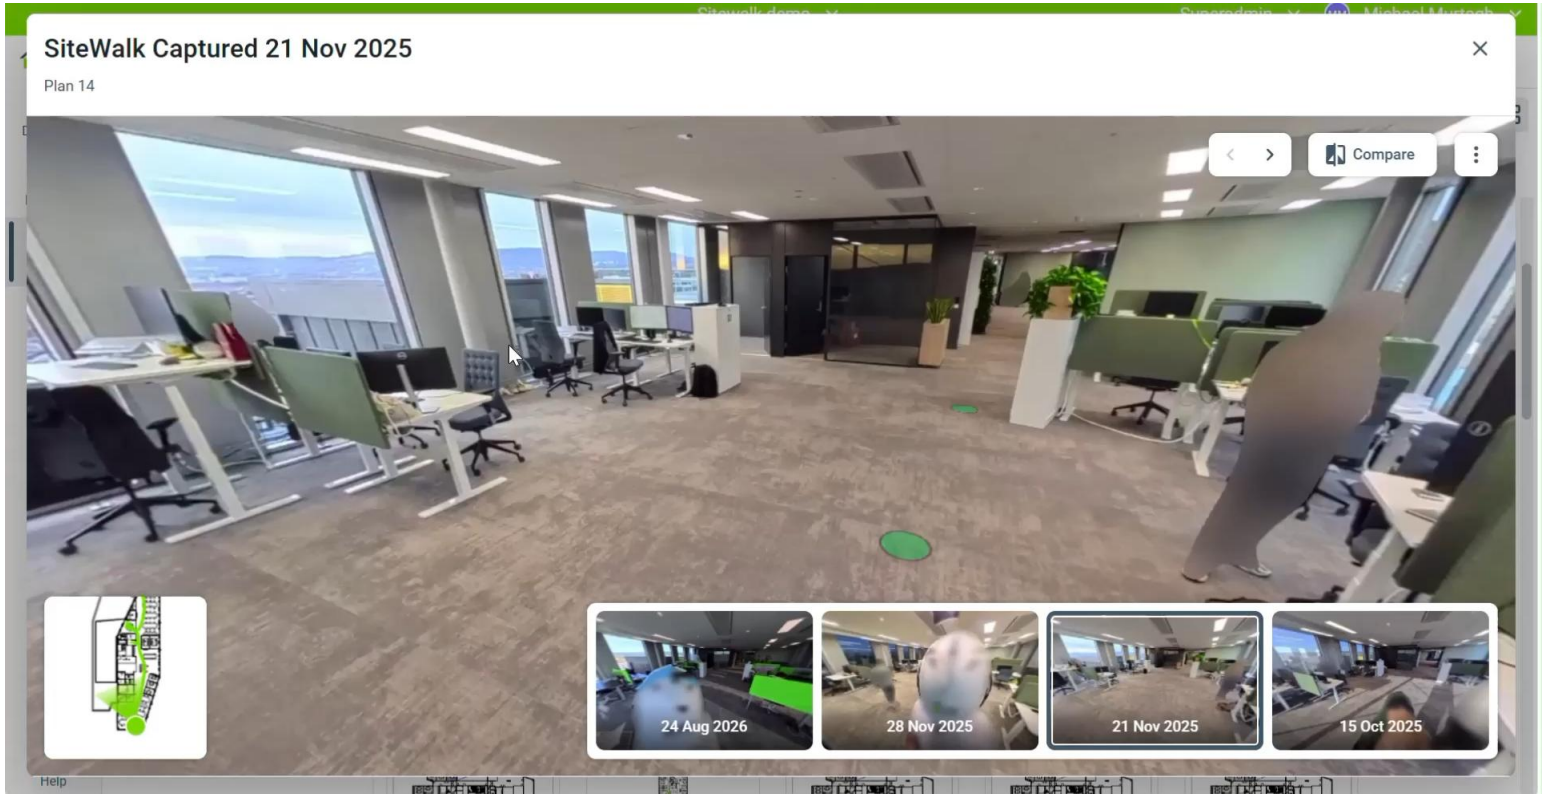

Report on Progress

Make payment valuation assessments

Resolving disputes (area not ready / quality etc).

Check on services after ceilings or walls are closed up etc...

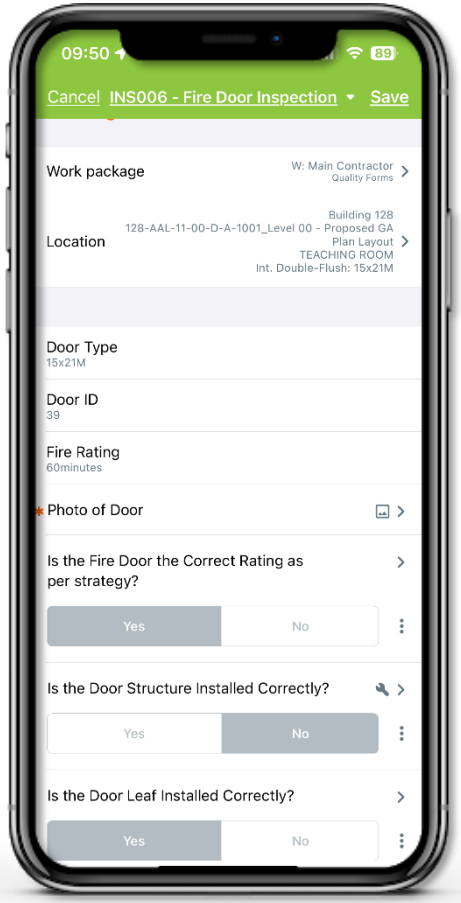

VALUE | Better visibility of completed work, without repeated site visits.

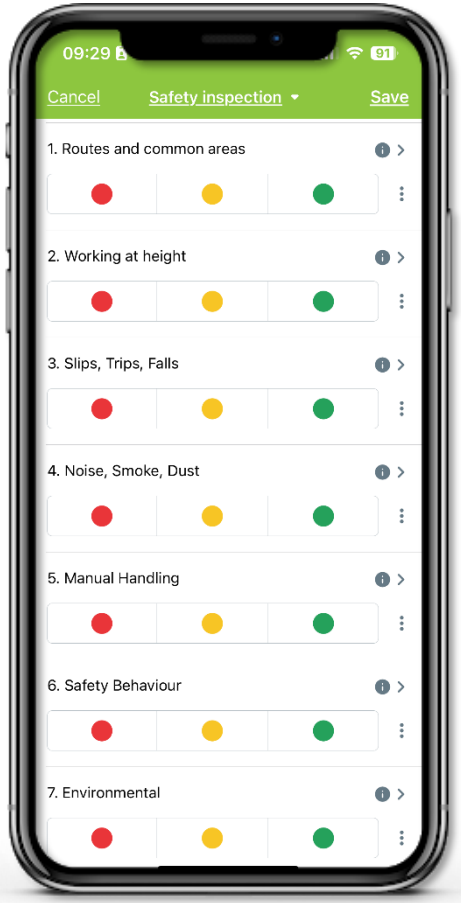

One app on site

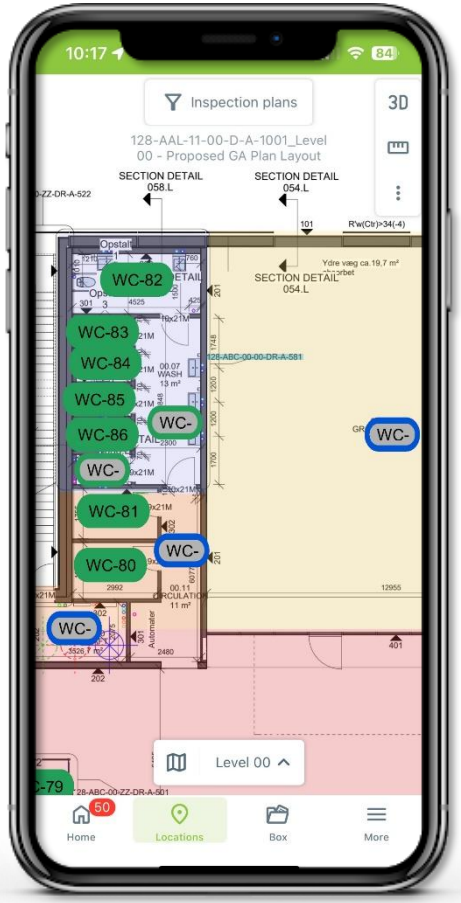

BIM and Drawings

Tasks

Safety

Inspection Plans

Reality Capture
