Upcoming Initiative Updates

Micro-Business Engagement Programme

A programme launched to connect with SMEs in construction, with expert partners running interviews to discuss how business leaders stay up to date with industry changes, and their experience with MMC.

MMC News

A new section within the existing Media Hub which will showcase the latest MMC industry news and upcoming events relevant to industry stakeholders.

Career Guidance Questionnaire

A guide for platform users to help them identify suitable MMC career pathways based on their skills, experience, and professional background.
